

## UK and UofL: Need and Merit-Based Aid by Student Type and Family Income

Full-Time, In-State, Undergraduates at Kentucky's Public Research Universities who Received Grants or Scholarships in 2011-12

### Highlights

- \* Grants and scholarships covered the full cost of tuition, fees and books for most students in the lowest income categories.
- \* Even students in the highest income categories received significant support through KEES and institutional aid.
- \* Seventy-four percent of full-time, in-state undergraduate students at research universities received grants in 2011-12 (fall 2011 enrollment).
- \* Grants in excess of tuition were used to pay for room and board, which averaged an additional \$8,973 (IPEDS, weighted).

Notes: Aid includes all need and merit-based grants and scholarships from federal, state, institutional and other sources. Income quartiles rank all students in the sector within their dependency category by family income, and divide them into four equal-sized groups based on their income rank. Traditional students were under 25 years old and were claimed as dependents on their parents' taxes, while adult students filed taxes independently. Students without income information did not file the federal financial aid application, but are still eligible for KEES, institutional, and other grants.
